

## [Shoreline Greenway Trail: A Better Way from Here to There](#)

### **2024 INTERN OPPORTUNITY – Shoreline Greenway Trail**

Shoreline Greenway Trail is proud to announce the **3rd year** of their successful Internship program with notable expansions.

Thanks to a grant from the ***Community Foundation of Greater New Haven***, there will be a paid stipend for work completed.

This program can be part of University, High School, Community College, or independent study initiatives and can be customized to deliver Credit Hours as necessary.

This Internship begins the week of May 1, 2024, depending on availability.

This program will likely include a number of interns.

Time commitment is very flexible depending on the Intern Candidate and programs selected. We will expect 10-20 hours per week. Work will be completed out of the office, during day or evening. There is a possibility for occasional daytime, evening and weekend commitments, Hours to be determined according to programs assigned and candidate's availability, in consultation with the supervisor and/or Board Chair.

The need and frequency for face-to-face supervision will be determined according to project scope and need. Interactions with the Shoreline Greenway Trail teams and local community will be available and proportionate to the specific programs undertaken.

### **Responsibilities (any, all or part are needed and available for project work):**

It is expected that each intern will be responsible for up to 3 major programs with specific, documented deliverables at the end of the term.

Many of the programs can be tuned to candidate's specific interests and skill set.

- Strategic Support
  - Social Media – Support additional traffic and additional outreach.
  - Website support – News and Partner updates.
  - Fundraising support – help identify funding sources.
  - Membership support – Support outreach activities and techniques.
- Event support
  - Assist in publicity, set-up, break-down, table attendance and event logistics.
- Trail specific
  - Support Mapping initiatives with mileage reporting, pictorial narrative, etc.

- Support agreed improvement projects within trail system
- Other duties as determined and agreed.

Routine and formal feedback will be solicited and shared throughout the program.

**Qualifications:**

- 16 years of age or older during the internship.
- Enrolled or recently graduated from College, High School, or Gap year.
- Strong organizational and interpersonal skills.
- Strong communication skills. Writing skills.
- The ability to follow directions, self-motivated and working independently is critical.
- Technological and/or Editorial experience is a plus.
- Interest in joining an environmental community organization and supporting its mission and vision.

**Internship Period:** May-September 2024

**Hours per Week:** TBD (see above)

**Compensation:** Thanks to a grant from the ***Community Foundation of Greater New Haven***, there will be a paid stipend for work completed. Amount will be determined on projects selected and time required.

**Benefits:** No paid benefits. Broad experience in community and environmental service.
